

Group & Corporate Solutions

Empowering Teams. Supporting Transitions. Delivering Results.

Introduction

The Job Coach provides practical, action-based career services designed for schools, nonprofits, job clubs, and employers seeking to empower individuals or teams. Whether it's preparing school leavers, supporting jobseekers, or guiding staff through transition, our programs are flexible, impactful, and grounded in our proven 10-Step Career Accelerator.

Core Offerings

Boot Camp

Who it's for: Job clubs, NGOs, activation schemes

What it delivers: Group-based CV development, interview coaching, personal branding, and confidence building over 2–3 weeks. Includes mock interviews and post-program follow-up.

Why it works: Hands-on, high-touch delivery with tangible outcomes for participants.

School2Work

Who it's for: Secondary schools (final/penultimate year students)

What it delivers: Career readiness programs focusing on real-world job search, CV building, and interview techniques.

Why it works: Designed to demystify the working world and boost confidence.

Transition360

Who it's for: Employers managing layoffs, transitions, or restructuring

What it delivers: Outplacement services including personalised CV coaching, one-on-one support, and group workshops.

Why it works: Supports positive career transitions and protects employer brand.

Custom Workshops & Bespoke Solutions

Who it's for: Any organisation with unique needs or goals

What it delivers: Tailored sessions on topics like LinkedIn strategy, interview masterclasses, or confidence after career breaks.

Why it works: Adaptable and shaped around your audience.
